## **V4 SERVICES SPONSOR AYLESBURY VALE DISTRICT COUNCIL IN ITS QUEST TO BECOME 'ENTREPRENEURIAL COUNCIL OF THE YEAR'**

V4 Services is pleased to announce its sponsorship of Aylesbury Vale District Council's entry into this year's LGC Awards which take place on Wednesday 11 March 2015, at the Grosvenor House, London.

Over 175 submissions have been shortlisted across 19 different categories with Aylesbury Vale District Council up against six other councils for the title of 'Entrepreneurial Council of the Year'.

V4 Services' Executive Director, Paul Tonks said: *"We have been working in partnership with the council to manage and coordinate the council's £100 million major projects programme.*

*"It's really fantastic to be part of the achievements and new facilities that have been developed for local people to benefit from. These have included the Aylesbury Waterside Theatre, the refurbishment of Aqua Vale Swimming and Fitness Centre, the Gateway Conference Centre—combined council offices and conference centre - and the development of the Waterside South with retail and hotel units. We are now working with the council and its partners, Bucks New University and Aylesbury College, to deliver a new University Campus for Aylesbury Vale which will be another fantastic addition."*

*"We've worked with over 75 local authorities and it is great to see the positive, commercial and entrepreneurial attitude and skills within the team, we wish the council all the very best on the night."*

In addition to regenerating the area through investments in their property portfolio, the council's award submission highlighted an impressive cultural change programme and a 'New Business Model' approach to reviewing services and generating income.
